

Product information:

The MBK200PM is an optional accessory for the MBK2xxMK2 series brackets specifically designed for pole mount applications. The adapter gets mounted to the back of the MBK2xxMK2 bracket and provides a stable solution for pole diameters of up to Ø90mm. It is made of 4mm thick zinc plated steel with a structured black powder coating which gives it excellent corrosion and scratch resistance. All necessary bolts and nuts are included, including 2 stainless steel U-bolts.
